Jack:

We are in receipt of your September 17, 2014 letter, requesting a 30 day extension of time to respond to the complaint in this Docket on behalf of Windstream. I see that ORS does not object to the extension. I see that Vonage has not made an appearance. However, what is Mr. Hayden's position on the request for extension? I see that Mr. Hayden was served by mail with a copy of your request. Mr. Hayden can respond, "copying all," if he wishes to do so. Or, I will accept a response from any party who knows the answer.

Thanks,

David Butler

Jack:

When I copied Mr. Hayden with my last e-mail to you, I got a "vacation" notice. Apparently, Mr. Hayden will be out-of-pocket until September 22, 2014, with limited access to email. Since Mr. Hayden is not accessible to give us his position on your extension request, and ORS is in agreement with it, I am going to go ahead and grant the extension by directive.

Thanks,

David Butler
